

# THE POSTAL STATIONERY SOCIETY

## POSTAL AUCTION Closing 5pm FRIDAY 4th APRIL 2025

Welcome to the Spring Postal Auction. I am currently moving house and initially decided not to hold the auction until the summer but we decided that would be too close to the Room auction. I had enough lots already sent in to make it worthwhile, albeit it is smaller auction than normal. I do hope however that you find something of interest as there are some choice items included as well as a large range of QEII material for you and some interesting non-GB stationery.

Please can you ensure your bids are with me in good time. Bids can be sent in by post on the Bidding Form or by email. If you email your bids, please make sure you get an email reply from me to ensure that I have received your bids OK. Your bids remain confidential with the auctioneer. When considering 'catalogue values' please remember the Huggins & Baker catalogue was issued 17 years ago and values & demand will have changed over the years

Reference numbers used are those of Huggins & Baker 2007 or Higgins & Gage (H&G). The following abbreviations are used: STO means stamped to order, NVI means no value indicated, CTO cancelled to order, FDI first day of issue, 'emb' means embossed, a '+' between values means a compound franking, (hrr) means hinge remains on rear.

Price stated for each lot is the **Reserve Price**

. A limited number of scans can be sent if requested by email. Email bids accepted.

Lots will be forwarded as soon as possible via Royal Mail following payment of invoice. A postage & packing charge will be made with UK lots sent either by 'Signed For' or 'Special Delivery'. Overseas lots will be sent by 'Tracked & Signed' or equivalent

**PLEASE NOTE MY NEW POSTAL ADDRESS!!**

**All bids & correspondence should be addressed to the Society's Auctioneer**
